

252 Series Teeth, Adapters and Flexpins®

©H&L Tooth Company 2018

252 Series Teeth

WELD-ON Backhoe "1CW" & "1W" Adapters

"1CW" Bottom Mount

"1W" Wrap Around

H&L® 25-26FP Flexpin®

All Series Flexpins are built with sharp ends to ease installation!

The H&L® Flexpin® consists of two half-round lengths of steel with a section of live rubber vulcanized between to form an oval shaped pin. The compressed rubber forces the Flexpin® half-round section in opposite directions.
See webpage for all Flexpin updates and dimensions: T168.2016.

H&L Tooth offers a variety of 252 series adapters. Search our webpage or call Customer Service.

MOST POPULAR BOLT-ON Adapters

H&L® has designed many hundreds of Loader Adapters over the last eight decades. Give us a call with your specific dimensions.
