Loader Style Adapter  
6.0#/12.72 kgs.

*H&L Tooth Company History since 1931:  
This Loader style Adapter was created for International-Harvester Company in 1972. It was designed for a 1.06" lip opening and will fit most buckets designed for a 1-inch bucket lip. It carries a International-Harvester part number 536048R1 and uses H&L's most popular 230 Series teeth.*

*This Loader adapter uses the 23SP Flexpin Series tooth that was first designed and introduced in the 1956.*
