Replace your standard teeth!

Fits existing 230-Series Adapters!

The new H&L Patented* Tiger and Twin Tiger DeltaWing™ teeth not only stay sharp, they'll...

- ✓ Increase bucket penetration!
- ✓ Increase bucket CAPACITY!
- ✓ Increase the life of the bucket lip edge!
- ✓ Increase the Backhoe PROFITABILITY
- ✓ Reduce expensive bucket lip maintenance!

Increased Bucket Capacity!

DeltaWing™ teeth increase bucket capacity! Patented* tooth wings extend the bucket cutting edge by an additional 2 1/2" ... increasing the bucket payload.

Digging Teeth Are Your First Line of Defense Against Bucket Wear!

Attack your hardest digging jobs with the

PATE

state-of-the-art lip saving Tiger 230T9-5 and 201TT7-5 Twin Tiger!
