

# H&L® Amsco® Obsoleted Part Cross Reference Numbers!

The H&L Tooth Company no longer produces the T-Adapter replacement parts for the Amsco products. However, H&L Tooth manufacturing facilities in Tulsa, Oklahoma has a limited amount of older style T-Adapter blanks that could produce obsoleted parts.

Please call Customer Service for availability.

H&L offers a replacement Mining Base for all cable shovels using the Whisler Style connection.

Call H&L Customer Service for a WH-4, WH-6, WH-8, WH-10 or WH-12 Base adapter
